

```
'''Project1 - BONUS
```

Write a function `draw_3x3_checkerboard` that creates a grid like the one below. You may use any of the functions you created in Project1 and may create additional helper functions as needed.

```
+ - - - + - - - + - - - +
| | | | | | | | | | | | | |
| | | | | | | | | | | | | |
| | | | | | | | | | | | | |
+ - - - + - - - + - - - +
|   | | | | | | | |   |
|   | | | | | | | |   |
|   | | | | | | | |   |
+ - - - + - - - + - - - +
| | | | | | | | | | | | | |
| | | | | | | | | | | | | |
| | | | | | | | | | | | | |
+ - - - + - - - + - - - +
```

```
